
Editorial Policy

Casio discloses information to stakeholders about its corporate social responsibility (CSR) initiatives aimed at building a more sustainable world. By constantly improving communication with stakeholders, Casio expects to further improve its CSR performance.

- Casio provides three channels of CSR reporting to meet the needs of different readers: the Sustainability website, the Sustainability Report, and the CSR Communication Book.

Sustainability Website

An easily searchable site that offers comprehensive information on Casio's CSR initiatives.

Sustainability Report 2016

A report containing information from the Sustainability website that can be downloaded in PDF format. It may be printed in part or in its entirety, for your reader convenience.
