Casio Revises Dividend Forecast

TOKYO, March 15, 2010 — Casio has announced that today's meeting of the company's board of directors resolved to revise the per-share dividend forecast for the current fiscal year. Details are as follows:

1. Reason for revision of dividend forecast

Casio's basic dividend policy is to maintain stable dividends and allocate profits by taking into account all factors such as profit levels, financial position, and the dividend payout ratio. In view of the above-mentioned policy, the year-end dividend forecast for fiscal 2010 will be 15 yen per share.
