## Casio Revises Dividend Forecast for Fiscal 2015

TOKYO, January 29, 2015 — Casio Computer Co., Ltd., has announced that today's meeting of the company's board of directors resolved to revise the per-share dividend forecast for fiscal 2015.

Details are as follows:

### 1. Reason for revision of dividend forecast

Casio's dividend policy is based on maintaining stable dividends, and Casio decides the allocation of profit by taking into account all factors such as profit levels, financial position, the dividend payout ratio, and future business forecasts.

In view of the above-mentioned policy, the annual dividend forecast for fiscal 2015 will increase 10 yen per share from the previous year based on business results.
