Casio Announces Application to Extend Submission Deadline for Semiannual Securities Report for Fiscal Year Ending March 2025

Casio Computer Co., Ltd. announced today that the company resolved at the Board of Directors meeting held on November 14, 2024, to submit an application for approval to the Kanto Local Finance Bureau regarding the extension of the deadline for submitting its semiannual securities report, as stipulated in Article 18-2, Paragraph 1 of the Cabinet Office Order on Disclosure of Corporate Affairs. The details are provided below.

1. Relevant Semiannual Securities Report

Consolidated Financial Results for the Six Months Ended September 30, 2024
(April 1, 2024–September 30, 2024)

2. Original Submission Deadline

November 14, 2024

3. Submission Deadline with Approved Extension

December 13, 2024

4. Reason for Submission Deadline Extension

As mentioned in its announcement dated October 11, 2024, “Notice of Partial Service Outage and Information Leak Caused by Ransomware Attack,” Casio servers suffered an unauthorized access on October 5, 2024, requiring the enactment of restrictions on access to accounting-related data. As a result, Casio and some of its group companies were unable to prepare the required financial statements. Although access has since been restored and preparation of the financial statements has resumed, the closing of accounts and semiannual review by the auditing firm have been subject to delay. Consequently, Casio was unable to submit the semiannual report by the original November 14, 2024, deadline, and the decision was made to apply for a submission deadline of December 13, 2024, should the extension be approved.

5. Future Outlook

If the application for an extension of the semiannual financial report submission deadline is approved, Casio will promptly disclose this information.

The company regrets any inconvenience this may cause to our shareholders and other stakeholders.
