Casio Announces Gain on Sale of Investment Securities (Extraordinary Income)

Casio Computer Co., Ltd. announced today that it has realized a gain on sale of investment securities as a result of selling a portion of the investment securities owned by the Company, as described below.

1. Reason for Sale of Investment Securities

To reduce cross-shareholdings and increase asset efficiency in accordance with Japan's Corporate Governance Code

2. Details of Sale of Investment Securities

(1) Stocks sold	Three listed stocks owned by the Company
(2) Period of sale	January to March 2025
(3) Gain on sale of investment securities	5,669 million yen

3. Future Outlook

The Company will record the gain on sale of investment securities described above as extraordinary income on the non-consolidated and consolidated financial statements for the fourth quarter of the fiscal year ending March 31, 2025. Total full-year gains on sale of investment securities in the fiscal year ending March 31, 2025, including the gain described above, will be 7,179 million yen. The Company has already factored the impact of this gain on sale of investment securities into the full-year consolidated financial results forecasts for the fiscal year ending March 31, 2025, which it announced on November 27, 2024.
